Dear Ms. Grant,

This letter is in response to the letter sent to Doggett for U.S. Congress on March 18, 2008. The following issues from your letter are addressed here. They follow similar numeric fashion:

1. The first item referred to a discrepancy with our Column B totals and previous reports. A duplicate disbursement was added to our database for \$17.13 on January 3rd, 2007. This caused the Column B numbers in our Year End Report to not follow previous reports. The error has been resolved and can be seen in our amended report.

2. The second item referred to documentation regarding non-itemized offsets amounting to \$51.96 that occurred in the period in question. The Committee respectfully asks the FEC to review 11 CFR 104.3(a), Subsection 4, Paragraph V. In accordance with this rule, non-itemized offset was correctly reported. It is our understanding that the FEC has erred in treating this offset as an error and that no further action need be taken by the Doggett for Congress Committee.

3. The third item referred to our form 3Z and a discrepancy between our total gross receipts and our Column B line 16. Due to a technical error in our database, four receipts were not coded as received during the primary. These receipts were reported on the appropriate period reports, however due to the nature of our software, lack of proper period coding excluding them from the 3Z calculations. For this reason, our Form 3Z numbers were not accurate. The error has been resolved, as can be seen in our amended report.

4. The fourth item referred to a discrepancy in total receipts from the American Federation of State County and Municipal Employees PAC. Per your conversation with our Committee Representative on April 3rd, the PAC identification number listed on our Year-End Report was correct, but the PAC name was slightly different. A discrepancy was flagged by the FEC due to this subtle difference. The amended report reflects the same PAC name as the prior report. The Committee points out that it correctly listed the PAC Identification number on the initial Year-End Report.

Attached with this letter is an amended report that addresses the items in your letter. If you have any other questions, please feel free to contact us.

Sincerely,

James Cousar  
Treasurer, Doggett for Congress Committee
